Overview of Nantong

Location

Nantong faces Shanghai across the Yangtze River. It takes about one hour from Nantong to downtown Shanghai by high-speed rail. The transportation is very convenient in Nantong. There is an airport, high-speed railway stations, ports, and a metro.

Economic Development

Nantong is one of the world-renowned “three major home textile centers” and is also known as China’s famous “Home of Architecture” and a shipbuilding base. Its vibrant economic environment offers a broad stage for international students’ future development.

Livable Environment

Nantong is known as “the First City of Modern China.” The pace of life is moderate, and prices are friendly. It offers both urban convenience and the warmth of home. Every year, international students from all over the world study and live in Nantong.

Overview of Nantong University

Long-standing Educational Tradition

The history of Nantong University can date back to 1912. It was founded by Mr. Zhang Jian, a famous modern Chinese industrialist and educator. The university adheres to the spirit of its motto, “Bridging China with the west and striving for the best,” and is committed to cultivating high-quality talents with an international perspective. In the 2025 Chinese University Evaluation, the university ranks 97th in overall strength, 70th among mainland Chinese universities in the Nature Index, and 112th among mainland Chinese universities in the ESI comprehensive ranking.

Complete Range of Disciplines

There are 10 major disciplines, including medicine, engineering, literature, science, **economics, and management.**

Strong International Atmosphere

The university has more than 1,300 international students from 68 countries, including Russia, Brazil, India, Morocco, and Bangladesh. The campus is not only a place for learning but also a warm community that transcends national borders.
